Dear Kent,

Long time no see! I sought your advice for my dissertation during 2013-2014 as a graduate student from the University of Michigan. Hope you remember me.

I'm sorry that it took me a while to write and say hi. The year of 2014 was a bit hectic as I moved three times state to state while finishing up my dissertation. Currently I'm at the University at Albany, State University of New York as a faculty member. I work at the School of Social Welfare with an affiliation with Urban Planning so that I can stay close to the planning field.

One of the journal articles I had submitted out of my dissertation was just published online. I want to share the link with you.

I've also attached a full draft for your information.

Once again, THANK YOU SO MUCH for your participation and guidance during my fieldwork in Los Angeles. I hope all is well with you.

best wishes, and stay in touch,  
Wonhyung
